**PLAINTIFF'S MOTION IN LIMINE TO EXCLUDE EVIDENCE
OF UNRELATED LAW SUITS**

Plaintiff Walter Moore hereby moves this Court for an order excluding any and all evidence, references to evidence, testimony or argument relating to unrelated lawsuits involving plaintiff. The motion is based upon the grounds that such evidence is not relevant and immaterial to the present suit.

BRIEF IN SUPPORT OF MOTION

This motion is based upon the records and files of this case including depositions and discovery materials.

The plaintiff was wrongly arrested and convicted of 1st degree murder in 1988. He served 8 years in prison. The case was reversed on appeal and subsequently dismissed. The plaintiff filed a lawsuit against law enforcement personnel that settled. The plaintiff was also involved in lawsuits related to his business, all of which are more than 10 years old. Such evidence is not relevant to the instant case and would serve only to confuse the jury and waste time. There is absolutely no probative value in such evidence related to any claim or defense in this case.

The admission of evidence is subject to the sound discretion of this court and the plaintiff moves this court to exclude any and all evidence, references to evidence, testimony or argument relating to the plaintiff's prior lawsuits.
